**MIRI:** Fajar International College which provides affordable higher education locally hosted two groups of visiting students from Pei Min Middle School recently.

Speaking to the visiting students, CEO of the college Dr Peter Tham stressed 'The quality of the programmes offered by the college is reflected by the recognition from various bodies and the industries'.

He advised the 73 visiting

students led by two teachers in two groups to choose the right institution and right course as the first step towards successful careers in the future.

The visit which was part of 'Life Skill' class aimed to expose students to higher education and various programmes offered by the college to have a better idea of options in further education.

The groups were given a tour of the campus attended briefing

and information sessions conducted by lecturers of various programmes.

Fajar International College also welcomes enquiries on programmes offered including Diploma in Occupational Safety and Health which is approved by Department of Occupational Safety and Health (DOSH) Malaysia; Diploma in Business Studies; Diploma in Accounting; Diploma in Human Resource Management;

and Certificate in Business Studies.

Fajar International College is also the regional learning centre for Wawasan Open University offering degree courses in Management, Accounting, and Human Resource Management through online and distance learning.
