IPOH (April 2): Bonanza Educare Sdn Bhd (BE) has entered into a partnership with Wow Open University (WOU) to facilitate collaboration between the two education groups.

The two institutions have signed a memorandum of understanding to cooperate in 5 areas, including schools and learning centers operated by BE, to provide WOU students with internship opportunities, job training and postgraduate training to strengthen their knowledge and skills.

The schools and learning centers operated by BE will provide employment opportunities, paving the way for WOU graduates to find jobs, while WOU will also provide study programs for BE employees and their immediate families.

At present, the two education groups continue to discuss and cooperate, including lectures, seminars, webinars, forums, speeches and other activities, and will cooperate in joint research and development projects and apply for joint research funding.

BE Chairman and Director Dato' Lim Shi Wen, and WOU Chief Executive Officer and Vice President Professor Zeng Lili signed a memorandum of understanding at the Ipoh headquarters of Bonanza Venture Holdings (BVH) yesterday at 1Lasam; witnesses included BE Director Chen Miaoyi and WOU Regional Operations and Marketing Director Zhang Guangxiong.

.Lin Shiwen (right 2) and Zeng Lili (left 2) signed a memorandum of understanding to promote cooperation between the two education groups, witnessed by Chen Miaoyi (right) and Zhang Guangxiong (left).

Zeng Lili said that through cooperation, mutually beneficial education and employment opportunities will be created, and she believes that students will benefit from the internship, training and employment opportunities provided by BE.

"We will also share their expertise in various fields including business, science and technology, and provide a series of courses that can be learned through open distance."
